Be ALL You Can Be @ ANUA

Monthly Newz Buzz

Welcome to a Highveld July Winter edition of our news-letter

We may be experiencing cold, dry and rather extreme weather at times but it has also been a truly self-esteem building exciting time for South Africans as we host the FIFA Soccer World Cup and we think it right to congratulate our government and of course the organizing committees for a job well done.

Here in Gauteng, many locals are also climbing aboard the all-new Gautrain to experience what they are calling a first-world first class service. Change is all around us and here @ ANUA we are no different.

Our lovely new hair-stylist, Lizelle has joined the ANUA Crew and has proved to be a delight and a hit with all her new clients and have offered her a warm welcome. So welcome aboard Lizelle ! May you go from strength to strength @ ANUA.

At the end of June, we re-created our rate card and removed our weekly blow-dry specials and replaced them with some special discounted Hair Care Package deals and we have been blown away by the response from our clientele. Thank you! There are FOUR separate deals available and these can be viewed on our home-page (www.anua.co.za) at

any time. Each deal offers good discounts and are specifically designed to allow each user to maintain their hair in an easy, affordable monthly rate and are not only great for the pocket but also will create an image for our clientele of hair care in a professional and proper way.

This fits in line with our new Motto which is "Be all You can Be". Ask for our new rate card today and see for yourself how you can make a large difference at reasonable cost for yourself.

In other news our training division, Bodywork SPA Academy is making strides and being noticed by several SPA's and healing centres in Gauteng and we have been invited to discuss some in-house training in some of the ancient healing modalities and treatments we offer and we are looking forward to that experience.

Our new look Newsletter will from this point on be available directly on our web-site and instead of loading our clients email in-box we will be emailing the link in future so this will provide opportunity to browse thru the newz-buzz in their own time.

This month's newsletter is shorter than normal but we

hope to be more informative and exciting next month as we all re-adjust to the normal work environment.

With love and warm wishes
THE ANUA Crew

Beat the WinterChill with great Hot Stone Massage Training on Sunday 25th July 2010—Call ANUA for enrolment forms or more information.
